We present this majestic mansion located between Monóvar and Novelda, which covers an impressive area of 500 square meters of housing and is located on a lush plot of 4000 square meters. This residence offers a total of 6 bedrooms, some of them en suite and equipped with a dressing room for maximum comfort and privacy.

As for the bathrooms, the property has 4 complete ones, one of them with a luxurious jacuzzi for moments of absolute relaxation. In addition, built-in wardrobes are included in several areas, as well as different living rooms, dining rooms and kitchens, all designed to meet the most demanding quality standards.

At the top of the mansion, you will find a spacious attic that offers exceptional panoramic views. Additionally, there are multiple...
