New housing development with the continuation of Phase 2 of the Residential Bay in Gran Alacant.

Already completed and delivered Phase 1 of this Residential, we are on the next phase with exclusive residential bungalows from 93m<sup>2</sup> with garden from 64m<sup>2</sup>, and with 2 or 3 bedrooms. The residential will be a private urbanization and will have a swimming pool and children's play area for the enjoyment of free time.

A home away from a home with a fundamental difference. The natural sun from a glorious Spanish Summer beaming into your terrace, as you gaze out across the community swimming pool. Then just a stone's throw away you can nip off for a nice cold drink in the Pub, pop into your local shop and stock up on those things...
